COMITY APPLICATIONS, REVIEW OF

Review of Comity Applications for Architect, Landscape Architect, and Registered Interior Designer Applicants

- a. One (1) member of the architects' committee may review and approve comity applications for registration as an architect, provided the applicant has presented evidence satisfactory to the Board of NCARB certification (blue cover).
- b. One (1) member of the landscape architects' committee may review and approve comity applications for registration as a landscape architect, provided the applicant has presented evidence satisfactory to the Board of CLARB certification.
- c. One (1) member of the registered interior designers' committee may review and approve comity applications for registration as an interior designer, provided the applicant has presented evidence satisfactory to the Board of compliance with all objective criteria for registration as set forth in Tennessee Code Annotated, 62-2-904.
- d. All applications approved in the manner set forth in (a), (b) and (c) above shall be ratified by a majority of the appropriate reviewing committee.
- e. In the event that an application for registration reviewed in the manner set forth in (a), (b) and (c) above would be denied by the reviewer or otherwise raises questions for which the reviewer requires further clarification, the reviewer shall submit such application to the appropriate reviewing committee for its review and disposition.
